Parent Resource Corner

Read early and read often

You are your child's first and most important teacher. Start reading to them from early infancy. Help build a love for reading from the very first day.

Best tip: read daily

• Read to your child daily
  Share fun and exciting stories to create vivid mental images.

• Build your child's vocabulary
  Use simple and colorful language that their mind can easily visualize.

• Encourage and reward
  Praise your child's efforts and encourage continuous reading.

• Know what to buy
  Choose books that suit your child's level and expand their learning.

Words of Wisdom
“Health is Wealth”

Health is a key aspect of a child's development. Here are some tips to ensure your child stays healthy:

1. **Eat a well-balanced diet:**
   - Include a variety of fruits and vegetables in their meals.
   - Limit processed foods and sugary drinks.

2. **Stay active:**
   - Encourage them to engage in physical activity every day.
   - Limit screen time and promote outdoor play.

3. **Get enough sleep:**
   - Children need adequate sleep to grow and develop.
   - Establish a consistent bedtime routine.

4. **Stay hydrated:**
   - Make sure they drink enough water throughout the day.
   - Avoid sugary beverages.

5. **Practice good hygiene:**
   - Teach them the importance of washing hands.
   - Encourage them to brush their teeth twice a day.

6. **Listen to their body:**
   - Encourage them to communicate their feelings and needs.
   - Seek medical advice if they show signs of illness.
