About our Staff

Early childhood builds up processes of dreams to be fulfilled. We in the Kindergarten Family at Greenwood High are here to help your child realize their dreams and make it a reality. The learning process strives to meet the needs and encourage the growth of every child keeping in mind individualism in every domain-intellectual, social, emotional, and physical. We firmly believe these areas develop hand in hand; hence our classroom activities in learning encourage creativity, curiosity, exploration and expression.

Our curriculum framework is divided into three strands encompassing, a readiness programme in the "Early Years" gradually moving into the stages of 'Beginning' and 'Becoming' (KG-I & KG-II respectively), thereby ensuring a learning in totality. Our well qualified staff contributes to achieve these goals giving every child an opportunity to excel. We look forward to this year with your child.

The Month's Overview

This month since we have lot of students who are attending school for the first time we will be spending next few weeks on the following theme.

"New Places, New Faces", we will be studying about going to school, making friends, likeness and differences, and home and family.

We will be learning the school prayer, school song and the class and school rules.

Reminders to Parents

- 🕒 The child should come to school on time.
- 🕒 Dress the child neatly in school uniform daily
- 🕒 Encourage the child to be independent.
- 🕒 Diaries should be checked and signed regularly by the parents.
- 🕒 Please do not allow children to bring/wear expensive articles to school.

Bus Riders

- 🚌 Children need to reach the bus stop 5 minutes before the scheduled arrival of the bus.
- 🚌 Students to board and alight the bus from the given stop.

Childhood is not a race to see how quickly a child can read write or count. It's a small window of time to learn to develop at a pace that is right for each child.

I am a risk taker, a mess maker. I am a confident doer of exciting things. Everything I make or do is path breaking.
